

White Stripes Parking Maintenance LLC Earns National and Local Small Business Certifications

Monument, Colorado Feb 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - [White Stripes Parking Maintenance LLC](#), a locally owned and operated leader in asphalt maintenance and striping, is proud to announce that the company has earned three highly coveted small business certifications. These certifications enhance the company's ability to serve government agencies, municipalities and private-sector clients that prioritize supplier diversity.

In September 2024, White Stripes Parking Maintenance was certified by the U.S. Small Business Administration as an Economically Disadvantaged Woman-Owned Small Business (EDWOSB).

More recently, White Stripes Parking Maintenance secured two certifications local to Colorado, where the company is based. In December 2024, the Regional Transportation District's Small Business Opportunity Office certified White Stripes Parking Maintenance as a Small Business Enterprise (SBE). Then, in January 2025, the City and County of Denver's Division of Small Business Opportunity certified the company as a Disadvantaged Business Enterprise (DBE).

"Receiving these three certifications is an important milestone for our growing small business," Christina White, owner of White Stripes Parking Maintenance, said. "We're excited to expand our reach and bring our expertise in parking lot maintenance to more organizations that value quality, reliability and diversity in their contracting partnerships."

Expanding Opportunities and Delivering Excellence

White Stripes Parking Maintenance's small business certifications make the company eligible to compete for contracts with federal and state government and local municipalities. They also give the company access to supplier diversity programs within the private sector.

White Stripes Parking Maintenance specializes in keeping parking lots and other asphalt surfaces safe and inviting. The company offers striping, pavement markings and a full range of asphalt maintenance solutions, including pothole repair, crack sealing and seal coating.

Government agencies and organizations with supplier diversity goals can now partner with White Stripes Parking Maintenance for high-quality asphalt services at competitive rates. To learn more or [request a quote](#), visit whitestripesparking.com.
