

William Kritzberg, MD: A Leader in Adult Medicine and Community Health

CEO & Board-Certified Internist at Essex Diagnostic & Treatment/Personal Care Adult Medicine

New York City, New York Feb 26, 2025 ([IssueWire.com](https://www.issuewire.com)) - Essex Diagnostic & Treatment/Personal Care Adult Medicine is proud to highlight William Kritzberg, MD, a distinguished board-certified internist and the CEO of the practice, as a key figure in the field of adult medicine. With over three decades of experience and a commitment to patient care, Dr. Kritzberg has become a trusted provider in the Springfield, New Jersey community.

Dr. Kritzberg's journey in medicine began in Israel, where he earned his Medical Degree from the prestigious Tel Aviv University Faculty of Medical and Health Sciences in 1991. His dedication to the field led him to the United States, where he completed his internship at Mount Sinai Beth Israel from 1991 to 1992, followed by a residency in internal medicine at Overlook Medical Center from 1993 to 1995. These formative years laid the groundwork for his extensive career in internal medicine.

In 2002, Dr. Kritzberg established Essex Diagnostic & Treatment/Personal Care Adult Medicine, which has since become a cornerstone of healthcare in the region. Under his leadership, the practice has flourished, providing comprehensive medical care tailored to the unique needs of adult patients. Dr. Kritzberg's vision extends beyond patient care; he also pursued further education, earning a Master of Science in Management with a focus on Medical Office Management/Administration from NYU Wagner Graduate School of Public Service in 2003.

As a Diplomate of the American Board of Internal Medicine, Dr. Kritzberg is recognized for his expertise and dedication to high standards of medical practice. He is an active member of the American College of Physicians, contributing to the advancement of internal medicine and advocating for the health of adults in his community. His licenses to practice in both New Jersey and New York further expand his ability to serve a diverse patient population.

In addition to his professional accomplishments, Dr. Kritzberg is multilingual, speaking English, Arabic, Hebrew, and Spanish, which allows him to connect with a broad range of patients and enhance their healthcare experience. His commitment to patient-centered care and community health exemplifies his dedication to improving the lives of those he serves.
