Expertise in Pediatric Otolaryngology, Sinus and Allergic Disease, and More

New York City, New York Mar 20, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Vasanth, a board-certified Ear, Nose, and Throat (ENT) specialist, is proud to announce his continued commitment to providing exceptional otolaryngological care in North Andover, Massachusetts. With a focus on a wide range of conditions, including pediatric otolaryngology, sinus, and allergic disease, thyroid surgery, snoring and obstructive sleep apnea, hearing loss, tinnitus, and vertigo, he is dedicated to improving the quality of life for his patients.

Back in the early days of his academic career, the doctor earned his medical degree from Tufts University School of Medicine in 2003 after completing his Bachelor of Science at Brandeis University in 1999, where he graduated Magna Cum Laude.

Dedicated to clinical excellence, Dr. Vasanth is board-certified by the American Board of Otolaryngology and holds medical licenses in both Massachusetts and New Hampshire. His professional memberships include the American Academy of Otolaryngology-Head and Neck Surgery, the American Academy of Otolaryngic Allergy, and the American College of Surgeons, among others.

With over 15 years of experience in private practice at New England ENT/Facial Plastic Surgery, Dr. Vasanth utilizes the latest advancements in technology and medical research to provide effective treatments tailored to each patient's needs. His proficiency encompasses a variety of conditions, enabling him to address everything from common ear infections and allergies to complex surgical procedures.

As a testament to his success, he has been recognized through numerous accolades, including his induction into the Alpha Omega Alpha Honor Society and the Phi Beta Kappa Honor Society. He was also awarded the Rishon M. Bialer Prize for academic excellence and served as a Howard Hughes Undergraduate Research Fellow.

Outside of his medical practice, Dr. Vasanth enjoys a variety of hobbies, including biking, playing squash, painting, and cooking, which contribute to his well-rounded approach to life and patient care.
