

Aida Ying Chen, DNP, APRN, CRNA: A Trailblazer in Nursing and Anesthesia

Enhancing Patient Care at Mayo Clinic and Transforming Nursing Staffing

New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Aida Ying Chen, DNP, APRN, CRNA, exemplifies excellence in the nursing profession through her multifaceted roles as an Advanced Practice Registered Nurse, Certified Registered Nurse Anesthetist, and Nurse Educator. Currently affiliated with

the prestigious Mayo Clinic in Rochester, Minnesota, Aida plays a crucial role in administering anesthesia for surgical and medical procedures, ensuring patient safety and comfort during their treatments.

In addition to her clinical expertise, Aida is also the Founder of WERUI Health Education Consulting, a nursing education and consulting firm dedicated to promoting nursing talent exchange between the U.S. and other countries, providing English education and NCLEX preparation for nurses in her home country, and facilitating nursing education and employment opportunities to address staffing shortages in U.S. healthcare organizations. Her innovative approach to nursing education reflects her commitment to improving healthcare delivery and to the advancement of the nursing profession.

Aida's academic journey is marked by determination and excellence. Born and raised in a small village in China, She graduated with a Bachelor of Science in Nursing from the University of Rochester in 2014, laying a strong foundation for her nursing career. Her passion for anesthesia led her to pursue further education, culminating in a Doctor of Nursing Practice in Direct Entry of Nurse Anesthesia from Thomas Jefferson University in 2021.

Before joining Mayo Clinic in July 2023, Aida honed her skills at Penn Medicine, University of Pennsylvania Health System, where she worked from 2021 to 2023. Her experiences in diverse clinical settings have enriched her practice and contributed to her development as a leader in anesthesia care.

Aida is not only committed to her patients but also to the advancement of the nursing profession. As an active member of the American Nurses Association, she advocates for the rights and interests of nurses while promoting high standards in nursing education and practice. Her involvement in nursing education and nursing staffing highlights her dedication to the future of nursing and the importance of professional collaboration.

As Aida Ying Chen continues to excel in her roles, she serves as an inspiration to aspiring nurses and healthcare professionals everywhere. Her commitment to excellence in anesthesia care and health management is a testament to the vital role nurses play in the healthcare system.
