New York City, New York Mar 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Elysium Medical, Inc., a leader in concierge and telemedicine services, proudly announces its continued commitment to delivering high-quality, evidence-based medical care under the guidance of its Founder and Medical Director, Andrew Jones, MD, MS. With locations in Los Angeles, California; Houston, Texas; and London, England, as

well as privileges at Cedars-Sinai Medical Center, Dr. Jones and his dedicated team offer innovative healthcare solutions that prioritize patient comfort, confidentiality, and compassion.

Elysium Medical is built on core principles that emphasize empathy, accountability, quality, dedication, and passion in delivering personalized patient care. Dr. Jones is relentless in his pursuit of enhancing quality of care, ensuring patient safety, and improving outcomes. His structured approach to patient monitoring—both within and outside the organizational premises—encourages transparency and fosters open communication, allowing patients to feel supported at every step of their healthcare journey.

Dr. Jones's exceptional educational background is a testament to his dedication to medicine. He earned a Bachelor of Science in Microbiology and Cell Science from the University of Florida in 2000, followed by a Master of Science in Molecular Microbiology and Immunology from the University of Southern California in 2003. He then achieved his Doctor of Medicine degree from the American University of the Caribbean School of Medicine in 2009. This extensive training provides him with a solid foundation in microbiology, immunology, and clinical medicine, shaping his patient-centered approach.

An accomplished physician, Dr. Jones has garnered high patient satisfaction scores and glowing peer reviews. His international training, including clinical experiences in London with physicians from Oxford and Cambridge, and residency experience at the Long Island Jewish Medical Center, contributes to his impressive track record of success in family medicine. Dr. Jones's tenacity, passion, and commitment to exceeding clinical and patient expectations empower him to effectively diagnose, manage, and treat a wide array of medical conditions while adhering to clinical guidelines and evidence-based practices.

As a Diplomate of the American Board of Family Medicine and an active member of several professional organizations—including the American Academy of Family Physicians, the California Academy of Family Physicians, the Infectious Disease Society of America, the American Society for Microbiology, and the National Medical Association—Dr. Jones remains at the forefront of advancements in the field. His dedication to ongoing learning and professional development is evident through his numerous accolades, including the NHS Kingston Hospital Respiratory Department Certificate of Appreciation in 2013 and several Certificates of Appreciation from NSLIJ/Southside Hospital for his contributions during crises such as Hurricane Sandy and Hurricane Irene.

“At Elysium Medical, we believe that healthcare should be accessible, compassionate, and personalized,” Dr. Jones states. “I am proud to lead a team that is committed to providing exemplary medical care, tailored to the unique needs of each patient, in the comfort of their own home or office.”

Elysium Medical, Inc. is poised to revolutionize the patient experience in healthcare, combining modern telemedicine with traditional values of care.
