Santa Monica, California Mar 30, 2025 ([Issuewire.com](https://www.issuewire.com)) - Beyond Facials Introduces Cutting-Edge Skincare: the famous Hydrafacial & Viral Salmon DNA (PDRN) Facial in Santa Monica, A Stress-Free, One-on-One Skincare Experience

Beyond Facials is transforming the skincare experience by offering **the most competitive Hydrafacial pricing in Santa Monica**, alongside **cutting-edge, celebrity-favorite treatments** in a stress-free, one-on-one environment. Unlike crowded spas, we focus on **personalized care, no upselling, and visible results**.

The best Hydrafacial offer in Santa Monica – Now \$50 Off for First-Time Clients

The signature **Hydrafacial treatment** is designed to deeply cleanse, hydrate, and rejuvenate the skin with **instant, glowing results**. We proudly offer **the most competitive pricing in Santa Monica**,

and to welcome new clients, we are offering **\$50 off their first visit**. Returning clients can also take advantage of **exclusive loyalty discounts** for continued savings.

The Viral Salmon Sperm Facial – Non-Invasive & Revolutionary

Beyond Facials is also at the forefront of innovative skincare with the **viral Salmon DNA Facial**. Unlike traditional microneedling, our treatment utilizes a **non-invasive nanoneedling technique** combined with **PDRN (salmon DNA)** to enhance **skin regeneration, hydration, and anti-aging benefits**—all with no downtime. This cutting-edge facial is making waves in the beauty industry and is now available exclusively at Beyond Facials.

Targeted Treatment for Keratosis Pilaris – NO KP® System

For those struggling with **Keratosis Pilaris (KP)**, we have developed **NO KP®**, the first **systematically designed treatment** for this common yet stubborn skin condition. Unlike generic exfoliation methods, **NO KP® is a targeted solution** that smooths and clears KP-prone skin **within just a few sessions**.

Why Beyond Facials?
