

Cassie Rivers, ADN, RN, LVN: A Dedicated Nursing Professional Transforming Lives in Mount Pleasant, Texas

Local Nurse's Passion for Pediatric Care and Advocacy Sets New Standard in Patient Care

New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Cassie Rivers, a highly regarded nurse in Mount Pleasant, Texas, is making significant strides in the medical community with her unwavering commitment to enhancing the quality of life for her patients. As a registered nurse with expertise in pediatrics, Rivers is dedicated to providing compassionate care while advocating for the most vulnerable members of society—children.

With a solid educational foundation, she graduated with an Associate Degree in Nursing from Northeast Texas Community College in 2024. Her journey in healthcare began in 2015 when she became a

Licensed Vocational Nurse through the Kiamichi Technology Center in Idabel. This extensive training has equipped Rivers with the skills necessary to excel in various nursing roles, including inpatient and outpatient care.

Cassie currently serves at CHRISTUS Health, where she has established herself as a leader in her field. Her commitment to patient safety and trust is evident in every interaction she has with her patients and their families. "I strive to be invaluable, just as my mother was. Her compassion and empathy for her patients have inspired me throughout my career," Cassie shared. This dedication not only reflects her personal values but also sets a high standard for nursing practice in the community.

In recognition of her accomplishments, she has been honored with several awards, including membership in the National Honor Society and being named salutatorian of her Practical Nursing Program. She is also an active member of the Texas Nurses Association and the National Association of Licensed Practical/Licensed Vocational Nurses, which further solidifies her commitment to professional growth and advocacy within the nursing community.

Above all, Cassie is passionate about pediatric care and has a special interest in becoming a sexual assault examiner for children. Her dedication to providing the best possible care and being a strong advocate for her young patients is a testament to her calling in the medical field. "I may not have children of my own, but I feel a profound responsibility to care for the children who come into my path," she stated.

Cassie Rivers is not just a nurse; she is a compassionate advocate dedicated to transforming lives in Mount Pleasant, Texas. As she continues her journey in the healthcare field, her commitment to excellence and patient care will undoubtedly leave a lasting impact on the community.
