

Christina Bigelow, PMHNP-BC, BSN: Empowering Mental Health in Lowell, Massachusetts

A Dedicated Psychiatric Nurse Practitioner Combining Expertise in Medication Management, Psychotherapy, and School Health Services

New York City, New York Mar 12, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Christina Bigelow, PMHNP-BC, BSN, is a

passionate and diligent Board-Certified Psychiatric-Mental Health Nurse Practitioner with over 500 clinical hours in medication management and more than 125 clinical psychotherapy hours, as well as five years of RN expertise. Since August 2021, Christina has been serving as the School Nurse for the City of Lowell Health Department, where she has become a vital resource for the mental health and well-being of students in the community.

Her educational path exemplifies her commitment to advancing her nursing career and enhancing her ability to provide exceptional care. Christina obtained her Associate's Degree in Registered Nursing from Bay State College in 2019, followed by a Bachelor of Science in Nursing from Chamberlain University in 2020. Most recently, she completed her Master of Science in Nursing with a specialization in Psychiatric/Mental Health Nurse Practitioner (MSN-PMHNP) at Chamberlain University in 2024, further solidifying her expertise and dedication to continuous learning in the mental health field.

As an active member of prominent professional organizations, including the American Nurses Association, the American Association of Nurse Practitioners, Sigma Pi Phi, and the Sigma Theta Tau International Honor Society of Nursing, Christina remains well-connected to the latest developments and best practices in nursing and mental health care.

Christina is highly regarded by her clinical preceptors and professors for her engagement and dedication to acquiring advanced knowledge and clinical skills. She is recognized as a collaborative leader who is committed to delivering holistic interventions through psychotherapy and psychopharmacology. Her colleagues and supervisors appreciate her ability to learn quickly and her unwavering commitment to staying current with innovative approaches in the field.

Eager to join an interdisciplinary team, Christina is looking for opportunities that will allow her to refine her expertise in the clinical diagnosis, treatment, and management of patients with diverse mental health conditions throughout their lifespans. With her extensive background and passion for mental health, Christina Bigelow is poised to make a significant impact in the field of psychiatric nursing.
