

Conference Connect Launches New Built-In Ticketing Platform, Empowering Event Organizers to Sell Tickets Directly

Cut Costs and Boost Ticket Sales with Conference Connect's New Built-In Ticketing Feature

Philadelphia, Pennsylvania Mar 26, 2025 ([IssueWire.com](https://www.issuewire.com)) - Conference Connect, the premier platform for connecting event organizers and attendees, is excited to announce the launch of its new built-in ticketing platform. With this innovative addition, organizers can now sell tickets directly through the Conference Connect website, streamlining the ticketing process and enhancing the attendee experience.

Conference Connect is a cutting-edge platform designed to bring event organizers and attendees together. By offering powerful event management tools, networking capabilities, and now built-in ticketing, Conference Connect is revolutionizing the way conferences, expos, and events are planned and executed.

“Our vision has always been to provide an all-in-one platform for everything events,” said Ashley Wilson, Founder of Conference Connect. “By adding a built-in ticketing solution, we’re one step closer to this goal.”

Key Benefits of Conference Connect’s New Ticketing Feature:

- [?] Direct Sales** – Sell tickets directly through the platform, eliminating reliance on third-party ticketing services.
- [?] Lower Fees** – Enjoy reduced processing fees compared to traditional ticketing providers.
- [?] Seamless Integration** – Manage ticket sales alongside event listings, speaker lineups, and attendee engagement features.
- [?] Real-Time Analytics** – Track ticket sales and revenue insights through a user-friendly dashboard.
- [?] Enhanced Attendee Experience** – Provide a seamless ticket purchase and ticket management process.

The new ticketing system is now available for all event organizers using Conference Connect. To learn more or start selling tickets today, visit www.ConferenceConnect.com.
