

Crafting Radiant Smiles: Joshua Klein, DDS, Joins Forces with Dr. Gary Radz at Denver Place Dentistry

Denver Dentist Delivers Comprehensive Care with a Gentle Touch in a Friendly Environment

New York City, New York Mar 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - Joshua Klein, DDS, is proud to announce his partnership with renowned dentist Gary Radz, DDS, at Denver Place Dentistry, where he is dedicated to providing exceptional dental care to the Denver community. With a focus on general, preventive, restorative, and emergency dentistry, as well as oral surgery and implants, Dr. Klein is committed to utilizing the latest technology and treatment methods to ensure that every patient receives the most efficient and convenient dental care possible.

Dr. Klein believes that everyone deserves gentle and skillful dental care in a relaxed, friendly, and judgment-free environment. His approach prioritizes patient comfort and safety, making dental visits a positive experience. By combining his extensive training and a compassionate demeanor, Dr. Klein aims to instill confidence in his patients, transforming their dental visits into a pathway toward achieving radiant smiles.

Dr. Klein earned his Bachelor of Science in Biology from George Mason University, followed by a Doctor of Dental Surgery from the prestigious New York University College of Dentistry. He further honed his skills by completing a General Practice Residency at Wyckoff Heights Medical Center from 2019 to 2020. His commitment to professional development is evident through his acquisition of various healthcare certifications, including ADEX and OSCE, ensuring he remains at the forefront of modern dental practices.

Adept in a wide range of dental procedures, Dr. Klein's expertise encompasses restorations, extractions, root canals, dental implants, and fixed and removable prosthodontics. As a member of both the American Student Dental Association and the American Dental Association, he actively engages with the dental community to stay updated on the latest advancements in the field.

Beyond his clinical work, Dr. Klein is deeply committed to giving back to the community. He actively supports organizations like the Leukemia and Lymphoma Society and has participated in outreach programs providing free dental care to children in underserved communities. His dedication to service reflects his belief that everyone deserves access to quality dental care.
