

Dr. Aman Kalra: Committed Family Practitioner Bringing Comprehensive Care to Minot, North Dakota

Specializing in Preventative Health and Patient-Centered Care for All Ages

New York City, New York Mar 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Aman Kalra, a dedicated family practitioner, is proud to announce her practice in Minot, ND, where she offers comprehensive healthcare for individuals of all ages. With a strong focus on preventative care, Dr. Kalra aims to empower her patients through routine checkups, diagnostic testing, and personalized coaching on maintaining a healthy lifestyle.

Dr. Kalra's extensive education and training equip her with the knowledge and skills necessary to address a wide range of health concerns. She graduated with a Doctor of Medicine degree from Avalon University School of Medicine in 2022. Prior to that, she earned her Bachelor of Science from the University of Manitoba in 2008 and completed a diploma in Intra-Oral Dental Assisting at CDI College in 2009. Additionally, Dr. Kalra completed two years of premedical science courses at Manipal University in 2013, further enhancing her medical education.

In an era where healthcare accessibility is crucial, family practitioners like her play a vital role in providing care for underserved and rural populations. Dr. Kalra is not only committed to treating illnesses but also emphasizes the importance of preventative care. This holistic approach ensures that her patients receive the support they need to lead healthier lives.

Dr. Kalra is an active member of several professional organizations, including the American Academy of Family Physicians, the American Medical Women's Association, and the American Medical Association. Her involvement in these organizations reflects her commitment to staying current with medical advancements and contributing to the broader medical community.

Beyond her clinical practice, Dr. Kalra is deeply involved in charitable and philanthropic endeavors. She serves as the NDAFP Residency Representative for Minot, where she advocates for residents and contributes to the development of future healthcare professionals. As a member of the Social Committee and the Chronic Pain Management Committee, Dr. Kalra collaborates with peers to improve patient care and address critical health issues. Additionally, she offers virtual tutoring through AK Tutoring, sharing her knowledge and skills with students aspiring to enter the medical field.

Dr. Kalra is excited to serve the Minot community and looks forward to making a positive impact on the health and wellness of her patients. With her comprehensive approach to family medicine, she is dedicated to helping individuals and families achieve their health goals.
