

Ebony Harpool, MD, MBA, Continues to Lead Clinical Excellence at Monogram Health

Transforming Patient Care Through Innovative Strategies and Collaborative Leadership

New York City, New York Feb 18, 2026 ([IssueWire.com](https://www.issuewire.com)) - Dr. Ebony C. Harpool, MD, MBA, recently joined Monogram Health as Market Physician Executive - Float. Dr. Harpool plays a pivotal role in driving the implementation and continuous enhancement of clinical strategies aimed at optimizing patient health outcomes. With a strong focus on achieving key clinical metrics and goals, she has successfully guided the organization toward delivering improved health outcomes while simultaneously reducing the total cost of care.

“Effective healthcare goes beyond treating patients—it’s about creating an environment where clinical excellence is the norm,” said Dr. Harpool. “My mission is to lead our team in delivering high-quality, transformative healthcare that supports our community’s most vulnerable populations.”

As a recognized clinical leader in value-based care, Dr. Harpool represents the organization within the community, collaborating with local physicians, healthcare facilities, and partners to elevate care standards. Her proactive approach has strengthened the organization's ability to provide exceptional patient care, ensuring that every individual receives the highest quality treatment.

Dr. Harpool earned an Executive MBA for Physicians from the Haslam College of Business at the University of Tennessee in December 2021. Her extensive medical training includes completing an Internal Medicine Residency at Detroit Medical Center/Wayne State University School of Medicine from 2010 to 2013, after earning her Doctor of Medicine (M.D.) from Wayne State University School of Medicine in 2010.

With her expertise, dedication to operational efficiency, and commitment to quality patient care, Dr. Harpool continues to drive transformative healthcare solutions that improve patient outcomes.
