

Emily Corley, PhD: Transforming Child Psychology with Compassion and Expertise

Empowering Children and Families Through Specialized Psychological Care

New York City, New York Mar 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Unique Minds Psychology, LLC, a child psychology practice based in Moore, Oklahoma, was founded by Dr. Emily Corley, Ph.D., a licensed health service psychologist. The practice specializes in psychological and developmental assessments for children, providing essential testing and support for conditions such as autism, ADHD, learning disorders, and other psychological concerns. With a mission to empower parents, Unique Minds

Psychology aims to enhance the understanding of children's strengths and areas for growth, fostering a supportive environment both at home and in school.

Dr. Corley, who holds a Bachelor of Arts in Psychology and Sociology, a Master of Science in Applied Psychology, and a Doctor of Philosophy in Clinical and Counseling Psychology from the University of South Alabama, is committed to making a positive impact on the lives of children and their families. Her extensive training includes a postdoctoral internship at Primary Care Psychology Associates in Chicago and a fellowship at Arkansas Children's Hospital, where she specialized in pediatric psychology across various medical disciplines.

Before founding Unique Minds Psychology in 2022, Dr. Corley served as the mental health coordinator for the Cystic Fibrosis Clinic at OU Children's in Oklahoma City, where she also led the Assessment Clinic in Sooner Pediatrics. In addition to her clinical work, she is an active member of the Society of Pediatric Psychology and chairs the Prescriptive Authority for Psychologists Legislative Committee through the Oklahoma Psychological Association.

Recognized as the Psychologist of the Day by the Oklahoma Psychological Association in 2022, 2023, and 2024, Dr. Corley has a profound passion for assessing children suspected of having neurodevelopmental disorders. She takes pride in providing tailored assessments that cater to each child's unique needs, offering parents valuable insights and actionable recommendations to support their child's development.

Outside of her professional endeavors, Dr. Corley resides in Tuttle, Oklahoma, with her husband and four pets. An outdoor enthusiast, she enjoys hiking and spending time in nature.
