

# ESUCCESS ACADEMY Launches AI-Powered Digital Marketing Courses in Thane

**Thane, Maharashtra Jan 27, 2026 ([Issuewire.com](https://www.issuewire.com))** - **ESUCCESS ACADEMY**, a leading institute of digital marketing, focuses on improving the educational experience of students and working professionals by launching AI-powered courses. The academy's goal is to prepare students for the continuously changing digital world by providing relevant skills through the assistance of industry experts and trainers.

ESUCCESS ACADEMY understands the upcoming shift in businesses adopting AI-centric marketing strategies globally and is thus leading the change. The newly introduced AI-powered modules focus on various aspects of digital marketing, including SEO, PPC, social media marketing, content marketing, and AI-powered data-driven decision-making.

"AI is reshaping the future of digital marketing. Our goal is to bridge the gap between traditional marketing strategies and modern AI-driven methodologies, enabling our students to stay ahead of the curve," said **Amit Tukrul**, Founder of ESUCCESS ACADEMY.

Key highlights of the AI-powered digital marketing courses include:

- AI-integrated SEO and content optimization strategies
- Automated PPC campaign management
- AI-driven social media analytics and engagement techniques
- Predictive analytics and data-driven marketing insights
- Hands-on training with cutting-edge AI tools

These courses are applicable to students, professionals, and entrepreneurs, making sure that learners achieve career and business objectives through practical training and real-world applications. Together with personalized mentoring, the academy's ultra-modern learning facilities enable learners to fully engage in the learning process.

ESUCCESS ACADEMY seeks to widen access to top-tier education in digital marketing with its flexible online and offline learning options.
