New York Nurse's Commitment to Excellence Enhances Quality of Life for Patients

New York City, New York Mar 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - Felice Rosen, a distinguished nurse at Mount Sinai Hospital, is making significant strides in the field of nursing, driven by a passion for enhancing patient care and an unwavering commitment to professional excellence. With over three decades of experience, Rosen has established herself as a leader in the nursing community, dedicated to improving the lives of her patients through compassionate care and evidence-based practices.

Rosen's extensive educational background has equipped her with the knowledge and skills necessary to excel in her profession. She began her journey at the State University of New York at Stony Brook, where she earned an Associate of Science degree in Registered Nursing in 1985. Furthering her education, she obtained a Bachelor of Science in Nursing from The College of New Rochelle in 1988, followed by a Master of Science in Nursing from Chamberlain College of Nursing in 2014. This robust foundation has allowed Rosen to specialize in various aspects of patient care, making her a valuable asset to Mount Sinai Hospital.

As a member of the Board of Directors of the American Association of Critical-Care Nurses (AACN) and a proud member of Sigma Theta Tau, Rosen exemplifies leadership and dedication in the nursing profession. Her involvement in these professional societies reflects her commitment to advancing the field of nursing and fostering a culture of safety, trust, and open communication between healthcare providers and patients.

Rosen's approach to nursing is anchored in her belief that effective communication is key to improving patient outcomes. She prioritizes building trusting relationships with her patients, ensuring they feel heard and understood throughout their healthcare journey. "I believe that every patient deserves to have their voice heard," Rosen states. "When patients feel safe and valued, it significantly enhances their quality of life and overall health outcomes."

Her dedication to patient care and safety has not gone unnoticed. Felice Rosen has been recognized for her innovative approaches and has contributed to numerous initiatives aimed at enhancing patient experiences in critical care settings. Her commitment to lifelong learning and professional development continues to inspire her colleagues and future generations of nurses.
