Ramadan is a significant time for many of our customers, and FiLLi is committed to providing a warm and inclusive environment for everyone. With the introduction of our specially curated Iftar Boxes, we aim to bring people together to break their fast while also catering to late-night visitors looking for a comforting cup of chai.

The FiLLi Iftar Experience

Each Iftar Box and Bundle is thoughtfully curated to cater to individuals, couples, and families, offering a variety of flavourful, high-quality products. From Bun Kebabs, Desi Pizza's to Lacha Melts... the mouth-watering menu is perfect for those coming together to break their fast. The special edition milkshare featuring Dates, Honey and Zafran will soon become a favourite for all.

An Inclusive Space for All

FiLLi welcomes everyone to join in the spirit of Ramadan, whether for Iftari, evening gatherings, or a late-night chai after Tarawih prayers. Our cafés will be open late to accommodate those looking for a relaxed space to unwind and connect.

"At FiLLi, we believe food has the power to bring people together, and Ramadan is the perfect time to celebrate that sense of togetherness. Our Iftar Boxes have been carefully crafted to offer a delicious, satisfying experience, whether you're breaking your fast with family, gathering with friends, or simply enjoying a quiet moment with our signature chai," said Natasha Naik, Marketing & Communications Director, FiLLi Café UK.
