Los Angeles, California Jan 20, 2026 ([IssueWire.com](https://www.issuewire.com)) - Japan Expert Team, a leading organization specializing in relocation and cultural integration, announces a limited-time free coupon for its exclusive video guides, designed to help parents support their children moving and adapting to Japan for study or a working holiday.

Helping Parents Navigate Their Children's Lives in Japan

We understand that many parents worry about how their children will navigate friendships, housing, jobs, and daily life in Japan. To ease these concerns, the Japan Expert Team has created three essential video guides that provide step-by-step instructions.

Parents can now access Three Comprehensive Guides at No Cost until April 30th, 2025:

Visit <https://payhip.com/MovingAdaptingJapan> & use coupon code (FORCHILDREN) at checkout.

- **Guide 1 / What to Prepare for Moving to Japan**

Essential procedures after entering Japan, recommended items to bring, and actions to take,

Strategies for a successful first week, Language learning tips, Social interaction advice, more

- **Guide 2 / How to Settle Down in Japan**

Address registration procedures, Housing search strategies, Affordable appliances and furniture, Essential apps and websites, Phone and bank account setup, Visa extension options, more

- **Guide 3 / Guide to Find Work in Japan**

Japanese resume and CV creation, Interview dress code, Part-time and Live-in work opportunities, Native tips for Internship and Full-time, Business Japanese communication with seniors, more
