

Funtastic Promotions Expands Event Services with Cutting Edge Racing Simulators for Corporate Entertainment

Kennesaw, Georgia Mar 29, 2025 ([Issuewire.com](https://www.issuewire.com)) - Funtastic Promotions, one of the top suppliers of energetic event entertainment, has recently integrated innovative simulators into its services. This is a first for corporate events, trade shows, and team-building exercises. This addition further reinforces the company's efforts to bring engaging and unforgettable entertainment that will stir appreciation from employers and clients alike.

Due to the rapid pace of work life, there is an endless demand for entertaining and effective ways of lifting a company's morale and improving relationships among employees. Racing on Funtastic Promotions' new driving simulators places participants right in the middle of high-speed racing with ultra-realistic tracks, precise controls, and advanced VR technologies that ensure an adrenaline rush.

With the right mix of competition, cooperation, and excitement, these simulators stand as comprehensive entertainment solutions suited for brand activations, trade show booths, holiday company parties, and even corporate team-building exercises.

"We've always been at the forefront of event entertainment, and these racing simulators take it to a whole new level," said the owner of Funtastic Promotions. **"They're fast, fun, and fully customizable, allowing businesses to create branded experiences that truly engage and entertain their audiences."**

Apart from entertainment, Funtastic Promotions' racing simulators are a new way for companies to engage their clients and employees. So that companies don't miss out on advertising, these motorsports-

themed simulators come with branded overlays, leaderboards, and sponsorship options.

Funtastic Promotions now accepts bookings for corporate events, trade shows, and special occasions. Companies looking to make a lasting impression can contact the team at <https://funtasticpromotions.com/> or call (770) 420-0624 to learn more about customization options and event packages.
