

Gon Saman, DPM, AACFAS, FACPM: Elevating Ankle and Foot Care at Florida Ankle & Foot Institute

Expert Podiatric Surgeon Emphasizes Minimally Invasive Techniques for Optimal Patient Outcomes

New York City, New York Mar 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Florida Ankle & Foot Institute proudly highlights the continued dedication of Dr. Gon Saman, DPM, AACFAS, FACPM, a dual board-certified

reconstructive foot and ankle surgeon, working alongside Dr. John F. Torregrosa. With a firm commitment to providing top-tier podiatric care in Monroe County, Florida, Dr. Saman employs a minimally invasive approach to address foot and ankle issues, reserving surgical intervention as a last resort.

Serving the vibrant communities of Tavernier, Marathon, and Key West, Florida Ankle & Foot Institute has been a trusted provider of comprehensive foot and ankle care for decades. Drs. Saman and Torregrosa welcome both residents and tourists, offering a wealth of experience in treating a myriad of podiatric conditions, including tendon injuries, neuromas, plantar fasciitis, ankle injuries, diabetic wound care, peripheral artery disease (PAD), fungal and ingrown nails, bunion and hammertoe correction, and various arthritic conditions.

Dr. Saman's distinguished educational background includes a Doctor of Podiatric Medicine Degree from Dr. William M. Scholl College of Podiatric Medicine in North Chicago, where he graduated Magna Cum Laude with honors in biology. He further honed his skills during a comprehensive residency at the New York College of Podiatric Medicine and Metropolitan Hospital, serving as Chief Resident from April 2022 to July 2023.

In 2023, Dr. Saman completed a specialized fellowship in podiatric dermatology at the Bako Podiatric Dermatology Fellowship Program in Alpharetta, Georgia, emphasizing dermatopathology and pathology. This advanced training enhances his ability to incorporate evidence-based practices and sophisticated specimen-collection techniques into his patient care.

Dr. Saman is board-qualified in Reconstructive Ankle, Rearfoot, and Foot Surgery by both the American Board of Foot and Ankle Surgery and the American Board of Podiatric Medicine. His active involvement in professional societies such as the American Podiatric Medical Association, the American College of Foot and Ankle Orthopedics, the American College of Sports Medicine, the Keys Physician Hospital Alliance, and the American Academy of Podiatric Sports Medicine, reflects his dedication to the field. Additionally, he holds the prestigious titles of Associate Member of the American College of Foot and Ankle Surgeons and Fellow of the American College of Podiatric Medicine.

With surgical privileges at Baptist Health Mariners Hospital, Baptist Health Fisherman's Hospital, Miami Surgical Suites, Miami Surgical Center, and Surgery Center of Key West, Dr. Saman is well-positioned to provide comprehensive care tailored to each patient's needs. His dedication to ongoing learning is evident through attendance at various conferences and courses, ensuring he remains at the forefront of podiatric advancements.

Beyond his clinical expertise, Dr. Saman has a history of volunteer service, including coordinating church activities and participating in mission trips, underscoring his commitment to improving community health and well-being.

At Florida Ankle & Foot Institute, patients can trust Dr. Gon Saman to deliver exceptional podiatric care that marries advanced medical knowledge with a compassionate approach. Whether dealing with chronic pain or acute injuries, Dr. Saman and his team are dedicated to restoring mobility and enhancing the quality of life for their patients.
