**Seattle, Washington Jan 14, 2026** ([Issuewire.com](http://Issuewire.com)) - Homecare Pro, the leading technology platform solving caregiver onboarding, credentialing, and HR compliance for home care agencies, is proud to announce the addition of Kristen Duell, CEO of Momentum Healthcare & Technology Consulting, as an

Advisor.

An experienced health-tech leader, Kristen brings over 21 years of care-at-home innovation experience helping organizations scale through technology adoption, operational efficiency, and strategic marketing. As an Advisor, she will inform Homecare Pro's product strategy, expanding Homecare Pro's ability to eliminate the burden of administrative HR so that agencies can focus on growth and care delivery.

Kristen is the CEO of Momentum Healthcare & Technology Consulting, a firm dedicated to helping healthcare, care-at-home agencies, and the partners that support them optimize operations, enhance marketing strategies, and implement technology adoption and optimization solutions that drive sustainable growth. Previously, she held executive leadership roles at FirstLight Home Care, Home Care Pulse (now Activated Insights), KanTime, and Sandata.

"Homecare Pro's technology is purpose-built to remove the administrative obstacles that home care agencies face daily," said Kristen Duell. "By streamlining compliance, reducing costs, and improving workforce management, Homecare Pro enables home care teams to focus on what truly matters - caregivers and clients. I'm excited to help further Homecare Pro's mission to drive meaningful impact across the industry."

With Kristen's advisory support, Homecare Pro reaffirms its commitment to partnering with top industry leaders who understand the complexities of home care operations. Her insights will further enhance Homecare Pro's position as a must-have solution for agencies looking to scale efficiently and remain compliant.

### **Exclusive Free Webinar – April 3rd**

To kick off this partnership, Homecare Pro will host an exclusive webinar featuring Kristen Duell and Homecare Pro founder Connor Adams on **April 3rd at 11 AM Pacific / 2 PM Eastern**. The webinar, "**Home Care Tech vs. Human Touch: Finding the Right Balance in Agency Operations**," will explore where technology should—and shouldn't—play a role in agency operations, as well as key considerations for selecting the right technology vendors.
