

Iron Gate Records Signs Rising Rock Band Frequency 1 to Label

Nashville, Tennessee Mar 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Iron Gate Records is thrilled to announce the official signing of Frequency 1, a dynamic rock band poised to make waves in the music industry. With a compelling sound that blends powerful vocals, electrifying guitar riffs, and a commanding rhythm section, Frequency 1 is set to bring their high-energy music to audiences worldwide.

Hailing from San Diego, California, Frequency 1 has built a strong and loyal following in the West Coast rock scene. Known for their high-energy live performances and powerful songwriting, the band has become a staple in the local music community, consistently selling out venues and captivating audiences with their signature sound. Their growing fanbase and reputation as a must-see live act made them a natural fit for Iron Gate Records.

Frequency 1 consists of an immensely talented lineup: lead singer Shawn Salerno, guitarists Andy Guyette and Tommy Johnston, bassist Mike Santangelo, and drummer Paul Vouaux Sr. Their distinctive style and passion for music have already garnered industry attention, making them a perfect addition to Iron Gate Records' growing roster of rock talent.

"We are excited to welcome Frequency 1 to the Iron Gate Records family," said Mark A. Skoda, CEO of Iron Gate Records. "Their raw energy, musicianship, and dedication to their craft align perfectly with our vision for the future of rock music. We believe they have the potential to reach incredible heights, and we're eager to support them on their journey."

Frequency 1 has been steadily gaining momentum with their electrifying performances and compelling songwriting. With their signing to Iron Gate Records, the band is set to enter the studio to work on their

highly anticipated new music. Fans won't have to wait long, as Frequency 1 is set to release their first wave of new singles starting in April 2025, giving listeners a taste of their evolving sound and the energy they bring to their craft.

"This is an incredible moment for us," said Shawn Salerno, lead singer of Frequency 1. "Signing with Iron Gate Records is a dream come true. We've worked hard to build something special in San Diego, and now we have the opportunity to share our music on a much larger scale. We're ready to take our sound to the next level, and with the backing of such an incredible team, we know the best is yet to come."

Fans can expect new music from Frequency 1 in the near future, along with tour announcements and exclusive content. For updates, follow Frequency 1 and Iron Gate Records on social media and visit [Iron Gate Records' Website] for more information.

[About Frequency 1](#)

Hailing from San Diego, California, Frequency 1 is a powerhouse rock band known for their electrifying live performances, dynamic sound, and passionate songwriting. Featuring Shawn Salerno (lead vocals), Andy Guyette (guitar), Tommy Johnston (guitar), Mike Santangelo (bass), and Paul Vouaux Sr (drums), the band has built a dedicated following in the West Coast music scene. Blending hard-hitting riffs, soaring vocals, and infectious melodies, Frequency 1 delivers a sound that resonates with both classic rock purists and modern alternative fans alike.
