

Ismail Boodhwani, APRN, FNP-C, AAHIVS, A Multifaceted Nurse Practitioner, Elevates Patient Care in Dallas, Texas

Empowering Health and Healing with Expertise in Wound Care, HIV, and Family Medicine

New York City, New York Mar 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dallas, Texas – Ismail Boodhwani, APRN, FNP-C, AAHIVS, WCS-C, EDS-C, stands out as a leader in the nursing community, bringing a wealth of knowledge and expertise to patient care. His extensive qualifications include Advanced Practice Registered Nurse, Certified Family Nurse Practitioner, HIV Specialist™, Certified Wound Care Specialist, and Certified Excisional Debridement Specialist. With an unwavering commitment to enhancing the health and well-being of his patients, Mr. Boodhwani is dedicated to providing comprehensive healthcare services tailored to individual needs.

His educational foundation began with a Master of Science in Family Practice Nursing from Texas Tech University Health Sciences Center. This rigorous training equipped Mr. Boodhwani with the essential skills required for effective family nursing and healthcare delivery. His professional journey commenced at Uptown Physicians Group in Dallas, Texas, where he served as a Family Nurse Practitioner from November 2018 to January 2024. During this five-year tenure, he gained invaluable experience in patient care, honing his communication skills and embracing a philosophy of lifelong learning.

In November 2023, Mr. Boodhwani embraced a new challenge by accepting a contract role at Texas Specialty Clinic. This hybrid position has allowed him to further cultivate his clinical expertise while maintaining a focus on patient-centered care. Currently, he serves as a Nurse Practitioner at Stevens Park Clinic Medical Group in Dallas, where he has been self-employed since June 2024. In this dynamic role, he continues to provide high-quality, compassionate care to his patients.

Mr. Boodhwani is well-equipped to address a wide array of health concerns, from acne and sore throats to hypertension and urinary tract infections. His thorough evaluations and essential diagnostic services, including blood work and annual physical examinations, ensure that patients receive the most accurate assessments and effective treatment plans. With a focus on personalized care, Mr. Boodhwani is dedicated to empowering individuals to take charge of their health.
