

Jasvinder Singh, MD, FACS, Elevates Surgical Excellence at NYC Health + Hospitals/Metropolitan

Leading the Way in General Surgery and Robotic Techniques

New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - NYC Health + Hospitals/Metropolitan is proud to announce that Dr. Singh has been providing exceptional care as a specialist in General Surgery, with a focus on Minimally Invasive Surgery (MIS) and Robotic Colorectal Surgery. With an impressive educational background and extensive training, Dr. Singh brings a wealth of knowledge and expertise to the hospital's surgical team.

Academically, the doctor completed his medical education at Maulana Azad Medical College in 2003 and has since dedicated his career to advancing surgical techniques and improving patient outcomes. He completed his internship in General Surgery at the Hospital of the University of Pennsylvania in 2012, followed by a residency at New York Medical College, where he honed his skills in various surgical procedures, finishing in 2016.

In pursuit of further specialization, Dr. Singh undertook two prestigious fellowships. He served as a Post-Doctoral Research Fellow in Surgical Oncology at Johns Hopkins Hospital in 2017, where he contributed to groundbreaking research aimed at enhancing cancer treatment methodologies. Following this, he completed his fellowship in MIS and Robotic Colorectal Surgery at Lutheran General Hospital in 2020, gaining advanced proficiency in cutting-edge surgical techniques.

As a part of the NYC Health + Hospitals/Metropolitan team, he is committed to delivering high-quality, compassionate care to patients with colorectal conditions. His expertise in robotic surgery allows for minimally invasive procedures that result in reduced recovery times and better outcomes for patients.

Dr. Singh is fluent in Hindi, enabling him to communicate effectively with a diverse patient population. He believes in the importance of patient education and strives to ensure that individuals understand their surgical options and feel supported throughout their healthcare journey.
