

Jeanace Harper: A Leader in Mental Health Counseling and Addiction Recovery

Board Certified Professional Counselor Combines Expertise in Behavioral Health with Compassionate Care

New York City, New York Mar 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Harper, a Board Certified Professional Counselor with extensive experience in the mental health care industry, is making waves in her field as the Chief Executive Officer of "Sista Sista Don't You Know I Love You!" Her dedication to improving the lives of individuals struggling with addiction and mental health issues is evident through her

comprehensive education and diverse professional background.

With a Doctor of Christian Counseling from the International College of Ministry and a Graduate Certificate in Addiction Counseling from Memphis Theological Seminary, Dr. Harper is equipped with the knowledge and skills necessary to provide exceptional care. Her expertise spans various areas, including individual counseling, youth ministry, and behavioral health coaching.

In addition, her impressive credentials include certifications as a Master's Addiction Counselor and a Certified Domestic Violence Counselor from the National Association of Forensic Counselors. She is also a Certified Parent Educator and a Certified Trauma Professional, showcasing her commitment to holistic and trauma-informed care.

Throughout her career, Dr. Harper has held numerous significant positions that reflect her commitment to mental health and addiction recovery. From her tenure as a Psychotherapist at the International Hospital of Bahrain to serving as the Clinical Director for Behavioral and Educational Services at Case Management Associates, Inc., she has consistently demonstrated her ability to lead and inspire.

In her current role at "Sista Sista Don't You Know I Love You!", Dr. Harper focuses on empowering individuals and families to overcome barriers related to addiction and mental health. Her approach is centered on motivational interviewing and compassionate coaching, which helps clients navigate their challenges and achieve lasting recovery.

As an adjunct faculty member at the University of Maryland, she also contributes to the education of future mental health professionals, sharing her wealth of knowledge and experience. Her work with organizations such as Shelby County Head Start further emphasizes her dedication to community wellness and family support.
