

Jeremy Paluch, APRN, FNP-C: A Passionate Advocate for Functional Medicine at MaxWell Clinic

Brentwood Nurse Practitioner Transforms Lives Through Holistic Healthcare Approach

New York City, New York Mar 20, 2025 ([Issuewire.com](https://www.issuewire.com)) - MaxWell Clinic, based in Brentwood, Tennessee, is proud to highlight the continued dedication of Jeremy Paluch, APRN, FNP-C, an Advanced Practice Registered Nurse and Certified Family Nurse Practitioner. With a profound commitment to Functional Medicine, Jeremy's approach is shaped by personal experience, academic

achievements, and a mission to empower patients on their health journeys.

Jeremy's dedication to healthcare was ignited during a challenging time in his life when his sister battled metastatic melanoma in 2009. This personal experience catalyzed his passion for understanding the healing potential of nutrition and exercise. Determined to explore these avenues, he pursued a Degree in Clinical Exercise Science at Central Michigan University, learning how tailored diet and exercise regimens can prevent and rehabilitate health issues.

Furthering his education, Jeremy earned his Bachelor of Science in Nursing from Wayne State University in 2018, followed by a Master of Science in Nursing from Vanderbilt University in 2020. This extensive academic background laid a solid foundation for his career, equipping him with the knowledge and skills necessary to deliver outstanding healthcare services.

With over three years of experience in Functional Medicine, Jeremy has focused on identifying and addressing the root causes of illness, rather than merely treating symptoms. His innovative approach to healthcare aligns perfectly with the mission of MaxWell Clinic, where patient-centered care and holistic healing are prioritized. Jeremy is passionate about helping patients uncover the underlying triggers of their symptoms, guiding them toward a path of recovery and wellness.

"Every patient I treat is a unique individual with their own story. My journey may be unconventional, but I believe that each step has been guided by a higher power," Jeremy explains. "I am honored to fulfill my calling and make a profound difference in the lives of those I serve."

At MaxWell Clinic, Jeremy Paluch stands ready to provide exceptional care that prioritizes the whole person. Patients seeking a transformative healthcare experience can look forward to a compassionate and knowledgeable partner in their wellness journey.
