

Jodi Hadeed, MD: A Leader in Minimally Invasive Gynecologic Surgery Joins Jamaica Hospital Medical Center

Board-Certified OBGYN Enhances Women's Health Care in Queens

New York City, New York Mar 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Jamaica Hospital Medical Center is proud to announce the addition of Jodi Hadeed, MD, a highly respected and board-certified obstetrician-gynecologist, to its esteemed team. Dr. Hadeed brings a wealth of expertise in Minimally Invasive Gynecologic Surgery (MIGS) and is dedicated to providing exceptional care to women in the New York area.

Dr. Hadeed's impressive educational background lays the foundation for her clinical excellence. After

earning a Bachelor of Commerce in Marketing from McGill University in 2011, she pursued her passion for medicine and obtained her Medical Degree from St. George's University School of Medicine in 2016. Following her medical education, Dr. Hadeed completed an intensive internship and residency in obstetrics and gynecology at St. Joseph's University Medical Center in Paterson, New Jersey, from 2016 to 2020. She has served on staff at St. Joseph's until January 2025, further honing her skills and knowledge in the field.

In her current role as an OB GYN Faculty Attending Physician at Jamaica Hospital Medical Center, Dr. Hadeed is committed to advancing women's health through innovative surgical techniques and patient-centered care. Her expertise in MIGS allows her to offer patients effective treatment options with shorter recovery times, less pain, and minimal scarring.

"Joining Jamaica Hospital Medical Center is an exciting opportunity for me to contribute to a community that values high-quality healthcare," said Dr. Hadeed. Licensed to practice in both New York and New Jersey, she is well-prepared to address the needs of a diverse and dynamic patient population.

Jamaica Hospital Medical Center is thrilled to welcome Dr. Hadeed to its team and looks forward to the positive impact she will have on the community. Her commitment to excellence in patient care and education aligns perfectly with the hospital's mission to provide quality healthcare services to all.
