

Jose Luis Agusti, MD: Transforming At-Home Healthcare Across Northwest Indiana

Providing Innovative Medical Services to Ensure Comprehensive Care Right at Home

New York City, New York Mar 12, 2025 ([IssueWire.com](https://www.issuewire.com)) - TUMI Medical Corporation proudly announces its commitment to transforming the landscape of at-home healthcare under the expert guidance of Dr. Jose Luis Agusti, MD. With a rich background in internal medicine and a passion for patient care, Dr. Agusti is reshaping how healthcare is delivered to individuals in their homes, providing essential services that promote wellness and enhance quality of life.

Dr. Agusti, originally from Lima, Peru, graduated from Facultad de Medicina Humana - Universidad Peruana Los Andes in 1994 before beginning his medical career at Georgetown University Medical Center. He completed his internal medicine specialty at IMMC/RUSH in Chicago and, following an adventurous move to Indiana in 2006, established his own practice. Combining his expertise in internal medicine with a vision for comprehensive home care, Dr. Agusti founded TUMI Medical Corporation, focusing on delivering high-quality medical services directly to patients' homes.

TUMI Medical Corporation excels in a variety of services, including primary medicine, palliative care, and end-of-life care. The dedicated team at TUMI specializes in managing chronic conditions such as diabetes and hypertension and offers wound care and podiatry services. With a commitment to delivering the highest standard of care, TUMI providers perform essential at-home diagnostics, including blood draws, urine samples, cultures, and x-rays, ensuring that patients receive the same level of care they would expect in a traditional medical office.

TUMI is also equipped to oversee complex medical needs, including the management of PEG tubes, trach collars, and various catheters. The team administers a range of medications through injectables to help prevent the progression of complications, ensuring that every patient receives personalized and effective treatment.

In addition to clinical care, TUMI coordinates home health nursing services and collaborates with durable medical equipment (DME) suppliers to meet patients' needs, ensuring seamless access to necessary medical supplies and equipment.

Dr. Agusti and TUMI Medical Corporation are dedicated to enhancing the quality of life for patients by making healthcare accessible, comfortable, and compassionate.
