

# Kentucky Lake Urology Reaffirms Commitment to Excellence with Joe Mobley, III, MD

Dr. Mobley Continues to Provide Top-Notch Urological Care in Paris, Tennessee

**New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.issuewire.com))** - Kentucky Lake Urology is proud to highlight the invaluable contributions of Dr. Joe Mobley, a dedicated urologist who has been serving

patients in Paris, Tennessee. With his extensive training and commitment to patient care, Dr. Mobley specializes in treating a wide range of conditions affecting the urinary tract and male reproductive system.

Dr. Mobley's expertise encompasses various components of urology, including the bladder, urethra, kidneys, penis, and prostate. His comprehensive understanding of these areas allows him to address complex clinical problems that often require a multifaceted approach, incorporating knowledge from specialties such as gynecology and internal medicine.

Dr. Mobley earned his medical degree from the University of Tennessee College of Medicine in Memphis, TN, in May 2005. He completed his residency at the University of Tennessee in Knoxville, where he honed his surgical skills and developed a deep understanding of urological disorders. Following his residency, Dr. Mobley further advanced his expertise by completing a fellowship at the prestigious Cleveland Clinic in Florida, which is renowned for its advanced medical care and research.

As a board-certified member of the American Board of Urology, Dr. Mobley adheres to the highest standards in the field, ensuring that his patients receive the most effective and up-to-date treatments available. His dedication to continuing education and professional development keeps him at the forefront of urological advancements, thereby enhancing the care he provides to his patients.

"At Kentucky Lake Urology, we are committed to delivering exceptional urological care," said Dr. Mobley. "I strive to create a comfortable and informative environment for my patients, empowering them to make informed decisions about their health."

Patients in the Paris area can continue to rely on Dr. Mobley's expertise for their urological needs, with services ranging from routine check-ups to advanced surgical interventions. His compassionate approach and commitment to patient-centered care make him a trusted resource for individuals seeking treatment for urological conditions.
