

Kimmerlee Boyd, DO: Dedicated Internal Medicine Hospitalist Making a Difference in Patient Care

Houston Methodist Hospital and North Shore University Hospital Benefit from Dr. Boyd's Expertise and Commitment to Excellence

New York City, New York Mar 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - Kimmerlee Boyd, DO, a highly regarded internal medicine hospitalist, is making significant contributions to patient care at Houston Methodist Hospital, the flagship quaternary care hospital of the Houston Methodist Academic Medical Center. With a commitment to delivering comprehensive treatment and support, Dr. Boyd collaborates with a multidisciplinary team of specialists, nurses, and healthcare professionals to ensure her patients receive the highest quality of care during their hospitalization.

In addition to her role at Houston Methodist Hospital, Dr. Boyd serves as an internal medicine hospitalist at North Shore University Hospital in Manhasset, New York, a key institution within Northwell Health. This facility is one of the primary teaching hospitals for the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell, where Dr. Boyd also contributes as an Assistant Professor of Medicine. Her dual roles underscore her commitment to both patient care and medical education, shaping the next generation of physicians.

Dr. Boyd's academic journey is marked by excellence and dedication. She earned her Bachelor of Science Degree in Kinesiology and Exercise Science from Florida State University in 2014, followed by her Doctor of Osteopathic Medicine Degree from Touro University Nevada College of Osteopathic Medicine in 2018. She then completed her residency in internal medicine at Houston Methodist Hospital from 2018 to 2021, where she honed her skills and developed a passion for patient-centered care.

Board-certified in internal medicine, Dr. Boyd is recognized as a Diplomate of the American Osteopathic Board of Internal Medicine. This prestigious certification highlights her expertise in the prevention, diagnosis, and treatment of diseases affecting adults. Dr. Boyd attributes her success to the invaluable support she has received from role models, family, friends, and colleagues throughout her career.

"I am deeply committed to providing comprehensive care to my patients and collaborating with my colleagues to achieve the best outcomes," said Dr. Boyd. "I believe that teamwork is essential in healthcare, and I am grateful for the support I receive from everyone around me."

Dr. Kimmerlee Boyd continues to make a profound impact in the fields of internal and hospital medicine, combining her clinical expertise with a passion for education, ultimately enhancing the quality of care for hospitalized patients at both Houston Methodist Hospital and North Shore University Hospital.
