Union City, New Jersey Mar 12, 2025 ([IssueWire.com](https://www.issuewire.com)) - *The renowned business offers a bilingual Arabic/English book set with multicultural lesson plans and resources to support language development.*

Language Lizard offers a collection of bilingual Arabic books for children, providing a valuable resource for teachers and parents. The 11-book Celebrate Diversity Set in Arabic/English includes 10 bilingual books and a teacher's guide with lesson plans and multicultural activities. This set is designed for classrooms and homes, offering tools to foster an inclusive learning environment and support language development.

"We are committed to providing accessible resources that support language development and celebrate cultural diversity, helping educators and parents create inclusive learning environments," stated the spokesperson at Language Lizards.

The set contains 10 picture books, each featuring Arabic and English text. The accompanying teacher's guide, *Building Bridges with Bilingual Books and Multicultural Resources*, provides lesson plans, literacy games, and activities designed to teach children about other languages and cultures. These resources aim to create positive connections with dual-language children and support literacy development.

The set includes various titles, such as *Welcome to the World Baby*, *The Wiggly Wobbly Tooth*, *Mei Ling's Hiccups*, and *The Giant Turnip*. These books are selected to represent different cultural perspectives, encouraging children to learn more about the world around them. The set of [Arabic books](#) also includes a copy of *Building Bridges with Bilingual Books and Multicultural Resources*, which offers a comprehensive guide to effectively using these books in diverse learning environments.

The 11-book Celebrate Diversity Set also includes an option to add an audio tool to further enhance the bilingual learning experience. The PENpal Audio Recorder Pen is available at a discounted rate and works with bilingual books to allow children to hear the stories in both languages.

The bilingual Arabic books and accompanying resources support the development of language skills in a multicultural context. They allow children to learn about different cultures while building literacy in both Arabic and English.

"Our bilingual Arabic books allow children to explore language and culture engagingly, empowering them with valuable literacy skills in both Arabic and English," added the spokesperson.

Language Lizard aims to continue expanding its diverse collection of bilingual books and educational resources, ensuring that children everywhere have access to tools that foster language skills and cultural appreciation.
