

Liz Kniola: A Leader in Nursing Excellence in Michigan City

Dedicated Nurse Manager Committed to Enhancing Patient Care and Quality of Life

New York City, New York Mar 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Liz Kniola, has established herself as a leading nursing professional in Michigan City, IN, where she serves as a Nurse Manager at Franciscan Health Michigan City. With a strong educational background and a deep-rooted passion for patient care, Liz is committed to making a significant difference in the lives of her patients.

Before embarking on her leadership journey, Liz went back to school and earned her Bachelor of Science in Nursing from Purdue University Northwest in 2016 and completed her Master of Science in Nursing Leadership and Management at Western Governors University in April 2024. Her comprehensive education, coupled with 14 years of hands-on experience, has equipped her with the skills necessary to excel in her role and lead her team effectively.

As a Nurse Manager specializing in Medical/Surgical Orthopedics, Liz is dedicated to enhancing patient quality of life through exceptional communication, safety, and trust. She believes that building lasting relationships with patients and their families is crucial for effective care. Her approach has garnered her respect from both colleagues and patients alike, emphasizing the importance of a supportive and caring healthcare environment.

In recognition of her outstanding contributions to her team, Liz was honored as a DAISY Award Winner in 2025, a testament to her dedication and excellence in the nursing profession. She is an active member of professional societies, including the American Organization for Nursing Leadership and the Association of Medical Surgical Nurses, where she stays current with industry developments and best practices. She is also an engaged and proactive member of her community, actively contributing through donations and dedicated support of fundraising efforts.

Liz attributes her success to the collaborative spirit of her coworkers and the supportive relationships she has cultivated over the years. Coming from a family of nurses—her mother and sister, and her brother a paramedic—she knew from a young age that nursing was her calling. Her passion for the field drives her to continually seek growth and development, both personally and professionally.

In her spare time, Liz enjoys reading about advancements in nursing practice and virtual nursing, reflecting her commitment to staying at the forefront of the evolving healthcare landscape. With her unwavering dedication, she is not only a valuable asset to Michigan City but also a shining example of what it means to be a compassionate and effective healthcare leader.
