

Lumaz Expands Its Outdoor Lighting Collection: A New Era of Stylish, Functional Illumination

Discover Lumaz's new collection of outdoor lighting, featuring solar lights, hanging lights, wall lights, and more, designed to brighten your outdoor spaces.

Pico Rivera, California Mar 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Lumaz, a leading e-commerce platform for innovative lighting solutions, is excited to announce the launch of its highly anticipated new collection of outdoor lighting. This diverse range of products is designed to elevate outdoor spaces with modern style, energy efficiency, and unparalleled functionality. The collection includes everything from solar-powered lights to stylish string lights, all carefully selected to meet the needs of discerning customers.

The newly launched outdoor lighting series from Lumaz includes:

[Outdoor Solar Lights](#): Harness the power of the sun with sustainable, energy-efficient lighting. These solar lights are perfect for gardens, walkways, and patios, offering a bright, eco-friendly alternative to traditional outdoor lighting.

Outdoor Hanging Lights: Ideal for patios, pergolas, or garden spaces, these hanging lights provide a warm, inviting glow that creates the perfect atmosphere for evening relaxation and outdoor entertaining.

[Outdoor Wall Lights](#): Designed for durability and performance, these weather-resistant wall lights offer practical and reliable lighting solutions. Perfect for illuminating exterior walls, doorways, and entryways, they blend seamlessly with any outdoor décor.

[Outdoor String Lights](#): Whether you're hosting a party or simply enjoying a quiet evening outside, these string lights create a cozy, enchanting atmosphere. Their versatility makes them perfect for decorating trees, fences, balconies, or patios.
