

Lynn Mojica, DMD, MAGD, Continues Her Legacy of Exceptional Dental Care in the Bay Area

Celebrating Over Three Decades of Commitment to Patient Health and Smiles

New York City, New York Mar 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Lynn Mojica, DMD, MAGD, a distinguished dentist with over 30 years of experience, proudly reaffirms her dedication to providing exceptional dental care to the San Francisco community. Since founding her solo practice in 2001, Dr. Mojica has earned the trust of countless patients, recognized for her commitment to quality patient care in both family and cosmetic dentistry.

Dr. Mojica emphasizes thorough patient education and gentle treatment methods, ensuring that every individual receives personalized attention and high-quality service. Together, they collaborate with local dental professionals to provide comprehensive care, reinforcing their belief that teamwork is essential in

achieving optimal patient health.

After earning her Doctor of Medicine in Dentistry from the University of the Philippines College of Dentistry in 1991, Dr. Mojica began her career in the Bay Area. She gained invaluable experience in group practices before realizing her dream of opening her solo practice. As a certified provider of Align Technology and with specialized certifications in laser dentistry from BIOLASE, Dr. Mojica utilizes advanced techniques to enhance patient care.

Her commitment to dental excellence is evident in her continuous pursuit of education. Dr. Mojica actively participates in advanced training courses and specialized study groups, ensuring she remains at the forefront of the dental field. Her achievements include receiving the prestigious Mastership Award from the Academy of General Dentistry and holding active memberships in several esteemed organizations, including the American Dental Association, the California Dental Association, the San Francisco Dental Society, and the International Team for Implantology. As a Fellow of the International Congress of Oral Implantologists, she is dedicated to employing the latest techniques in implant dentistry to improve patient outcomes.

In addition to her clinical practice, Dr. Mojica contributes to the dental community as a Research Associate with the BISCO Clinical Research Network and serves as a Reviewer for the peer-reviewed journal General Dentistry. She credits her success to her faith, the unwavering support of her parents, and her enduring passion for dentistry.

Outside of her professional life, Dr. Mojica enjoys hiking, visiting museums, and reading, enriching her life in the vibrant city of San Francisco. With her unwavering commitment to patient care, Dr. Mojica continues to inspire both her patients and colleagues alike.
