Navigating Disruption with Confidence: "The Making of a C.R.I.S.I.S. Leader" Arms Leaders for the Future

The Disruptive Leadership Institute LLC is proud to announce the official launch of "The Making of a C.R.I.S.I.S. Leader: Navigating Turbulence and Driving Transformation" by globally renowned leadership expert and executive coach, Prof Sattar Bawany. This highly anticipated book will be available worldwide on March 7, 2025.

As organizations continue to grapple with unprecedented global disruptions, "[The Making of a C.R.I.S.I.S. Leader](#)" provides a groundbreaking framework for leaders to thrive in uncertainty, make decisive and ethical decisions, and inspire resilience in their teams. Drawing from decades of research, real-world case studies, and firsthand leadership experience, Bawany introduces the [C.R.I.S.I.S. Leadership Model](#), a powerful methodology for mastering crisis management and transformational leadership.

Early Praise for "The Making of a C.R.I.S.I.S. Leader"

Dr. Marshall Goldsmith, Thinkers50 #1 Executive Coach and New York Times bestselling author of *The Earned Life*, *Triggers*, and *What Got You Here Won't Get You There*, commends the book:

"The Making of a C.R.I.S.I.S. Leader is a timely, well-researched, and comprehensive examination of leadership when it matters the most. Written with the sense of urgency that the context demands, Dr. Bawany offers a memorable model, practical advice, and relevant case studies to guide leaders at all levels. This is a must-read for anyone leading in today's unpredictable environment."

Jim Kouzes, co-author of the bestselling *The Leadership Challenge* and a Fellow of the Doerr Institute for New Leaders at Rice University, adds:

"The Making of a C.R.I.S.I.S. Leader provides a clear and practical guide for leading through uncertainty and disruption. The tools suggested are practical, relevant, and effective—coming from years of real-life experience and application. This book should not just be read; it should be used to guide you when serious problems such as crises require immediate action."

Key Topics Covered in the Book:

- Leadership lessons from past decades on how leaders respond successfully to crises.
- Future mega-disruptive forces will lead to crises that may potentially impact organizations' supply chains and business sustainability plans.
- The best practice "C.R.I.S.I.S." Leadership Model outlines the critical skills and competencies that leaders demonstrate effectively during times of crisis.
- Building and sustaining organizational resilience
- The role of boards in managing crises and times of uncertainty
