

MedBetterHealth.org Partners with Trilogy Home Healthcare to Expand Dementia Care Under CMS's Dementia GUIDE Model

MedBetterHealth, a Medicare-selected participant in the CMS Dementia GUIDE Model, is proud to announce its partnership with Trilogy Home Healthcare to enhance dementia care services for patients and caregivers.

Fort Lauderdale, Florida Mar 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - A Transformative Partnership for Dementia Care

MedBetterHealth, a Medicare-selected participant in the CMS Dementia GUIDE Model, is proud to announce its partnership with Trilogy Home Healthcare to enhance dementia care services for patients and caregivers. This collaboration will expand access to comprehensive, home-based dementia support, offering specialized respite care, coordination, and therapeutic services to improve the quality of life for those affected by dementia.

The official signing of the agreement took place at the Alan B. Levan | NSU Broward Center of Innovation and was attended by Dr. Erik Ilyayev, CEO of MedBetterHealth.org; Kim Wier RN, Executive Vice President of Trilogy Home Healthcare; Colleen Ferren, OT, CDP, CADDCT, Regional Therapy and Sales Support at Trilogy Home Healthcare; Ginny Blette RN, Administrator at Trilogy Home Healthcare; Jennifer Desir-Brown, BSN, RN, Director of Marketing at Trilogy Home Healthcare; and Lucy Schneider LPN, Home Health Coordinator at Trilogy Home Healthcare.

Advancing Dementia Care Through Collaboration

The CMS Dementia GUIDE Model is designed to provide comprehensive care coordination, respite services, and caregiver support—critical components in addressing the unique challenges of dementia care. Through this partnership, Trilogy Home Healthcare will play a pivotal role in delivering specialized home-based healthcare, ensuring dementia patients receive personalized, high-quality support in the comfort of their homes.

Leadership Perspectives

Dr. Erik Ilyayev, CEO of MedBetterHealth, emphasized the impact of this partnership:

“This collaboration with Trilogy Home Healthcare marks a significant milestone in redefining dementia care. By integrating Trilogy’s expertise in home healthcare with the Dementia GUIDE Model, we are ensuring that patients and their caregivers receive the highest quality, specialized support. Together, we are shaping a future where dementia care is proactive, compassionate, and accessible.”

Kim Wier RN, Executive Vice President of Trilogy Home Healthcare, echoed this commitment:

“At Trilogy Home Healthcare, we are dedicated to providing compassionate, high-quality care to patients in their homes. Partnering with MedBetterHealth in the Dementia GUIDE Model allows us to expand our reach, enhance care coordination, and provide much-needed respite for caregivers. We are excited to join forces in creating a better path forward for those living with dementia.”

About MedBetterHealth

MedBetterHealth is a CMS-selected participant in the Dementia GUIDE Model, committed to comprehensive, patient-centered dementia care. By integrating innovative care coordination, respite services, and caregiver support, MedBetterHealth is improving outcomes and enhancing the quality of life for dementia patients and their families.

About Trilogy Home Healthcare

Trilogy Home Healthcare is a leading provider of home-based healthcare services, specializing in skilled nursing, therapy, and supportive care solutions utilizing Certified Dementia Practitioners in the home. With a mission to empower patients to live independently while receiving high-quality, compassionate care, Trilogy continues to transform home healthcare for those in need.
