

Meet Bryce Adams, BSN: A Cardiothoracic and Peripheral Vascular Surgical Nurse at AHN Saint Vincent

Advocating for Patients and Enhancing Surgical Care in Erie, Pennsylvania

New York City, New York Mar 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - AHN Saint Vincent is proud to announce the full-time appointment of Bryce Adams, BSN, as a Surgical Nurse and vascular surgery resource personnel. With a strong foundation in both circulating and scrubbing for complex surgeries, Bryce is an integral part of the surgical team at AHN Saint Vincent, delivering compassionate care and expert support in cardiothoracic and peripheral vascular procedures.

Bryce graduated from Northwestern School District in 2020 and subsequently earned his Bachelor of Science in Nursing from Penn State Erie, The Behrend College, in May 2024. His dedication to nursing

began as a nurse extern at AHN Saint Vincent, where he gained invaluable experience in various operating room settings, including cardiovascular, orthopedics, gynecology, general, neurology, and urology. This diverse background has equipped him with the skills and knowledge necessary to excel in a fast-paced surgical environment.

In addition to his clinical expertise, Bryce is recognized for his commitment to professional development and academic excellence. He has been an active member of the Sigma Theta Tau International Honor Society of Nursing, the Lambda Sigma Honor Society, and the Penn State Behrend Honors Program. These affiliations reflect his dedication to the nursing profession and his desire to provide the highest standard of care to his patients.

Bryce is particularly passionate about patient advocacy, especially in the crucial moments following anesthesia. He understands the importance of monitoring and supporting patients as they transition through the surgical process, ensuring their safety and comfort. His enthusiasm for the immediate and profound changes he witnesses in patients' health during surgeries fuels his commitment to nursing.

Looking ahead, Bryce Adams is poised for a bright future in surgical nursing. His exceptional skills, combined with the strong support he has received from mentors and colleagues at AHN Saint Vincent, position him as a valuable asset to the healthcare community in Erie, Pennsylvania.
