

Meet Nathan Latimer, DDS, MD.: Your Trusted Oral & Maxillofacial Surgeon

Cape Cod Native and Board-Certified Oral Surgeon Dr. Nathan Latimer Continues to Elevate Patient Care with Advanced Techniques

New York City, New York Mar 14, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Latimer, a distinguished oral and maxillofacial surgeon, has been serving the Cape Cod community since 2015. A native of Hyannis, Massachusetts, he is dedicated to providing exceptional patient care through advanced surgical techniques and a compassionate approach.

Back in the early days of his academic career, Dr. Latimer completed his undergraduate education at Southern Adventist University in Collegedale, Tennessee, before pursuing his dental and medical degrees at Loma Linda University in Southern California. His extensive training includes a six-year residency in Oral & Maxillofacial Surgery, where he gained valuable expertise in various areas, including facial trauma, dental implants, head and neck pathology, anesthesia and sedation, facial cosmetic surgery, dental extractions, facial reconstruction, and bone grafting.

As a board-certified diplomate of the American Board of Oral & Maxillofacial Surgery since February 2017, Dr. Latimer consistently emphasizes the importance of ongoing education and staying at the forefront of advancements in the field. He maintains operating privileges at Falmouth Hospital and continuously seeks to improve patient care through the use of cutting-edge technology. His practice incorporates in-office CT scanning, digital impressions, and 3D printing to enhance the precision and effectiveness of dental procedures.

Dr. Latimer's commitment to his patients extends beyond technical expertise. He and his dedicated staff strive to create a supportive and welcoming environment where patient needs are prioritized and expectations are exceeded. "Our goal is to ensure that every patient feels comfortable and confident in their treatment journey," says Dr. Latimer. "We believe that a positive experience leads to better outcomes."

Continuously advancing his efforts, Dr. Latimer is an active member of several professional organizations, including the American Dental Association, Massachusetts Dental Society, Cape Cod District Dental Society, American Association of Oral & Maxillofacial Surgery (AAOMS), and the American Board of Oral & Maxillofacial Surgery (ABOMS).

Outside of the office, Dr. Latimer enjoys vacationing in Switzerland and indulging in hobbies such as golfing, boating, and skiing. His commitment to excellence in oral and maxillofacial surgery and his deep roots in the community make him a valuable asset to Cape Cod.
