

Mother Battling Aggressive Breast Cancer Seeks to Give Daughter One Last Magical Memory

California City, California Mar 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Shamaila-Isadora, a devoted mother and fierce fighter, is facing the toughest battle of her life: an aggressive form of breast cancer. As she endures painful treatments and uncertain days, her greatest wish is to create one last magical memory with her 10-year-old daughter, Zinda—a trip to Disneyland Paris.

“Zinda is too young to bear the weight of watching her mother battle this disease,” Shamaila-Isadora shares. “She deserves to laugh, dream, and experience joy. This trip is not just about a vacation—it’s about giving her something beautiful to hold onto, no matter what the future holds.”

With time slipping away, Shamaila-Isadora has launched a [\[https://www.gofundme.com/f/Help-Us-Create-Magic-at-Disney-During-My-Cancer?lang=en_US&utm_campaign=fp_sharesheet&utm_medium\]](https://www.gofundme.com/f/Help-Us-Create-Magic-at-Disney-During-My-Cancer?lang=en_US&utm_campaign=fp_sharesheet&utm_medium) to raise the funds needed to cover travel, accommodation, park tickets, and other expenses that will make this trip possible.

How You Can Help

Every donation, no matter the size, brings them closer to this dream. Contributions will help cover:

Travel and accommodation expenses

Disneyland Paris park tickets

Meals, treats, and souvenirs for Zinda to cherish

Any unexpected medical expenses during the trip

Even if donating isn’t possible, sharing the campaign can help spread the word and bring in the support they need.

“This is about more than just a trip—it’s about love, hope, and creating a moment of happiness that will last forever,” says Shamaila-Isadora. To donate or
