Nancy Reis: A Champion for Affordable Housing and Women's Empowerment in Pittsburgh

New York City, New York Mar 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - Nancy Reis, a dedicated realtor with the Selling With Gracie Team at RE/MAX Real Estate Solutions, is making waves in the Pittsburgh real estate market by prioritizing both the needs of her clients and her community. With an active real estate license in Pennsylvania, Nancy specializes in guiding buyers and sellers through the often-complex processes of real estate transactions, ensuring that their interests are expertly represented from negotiations to contract execution.

As an advocate for affordable housing, Nancy's commitment extends beyond her role as a realtor. She is passionate about empowering women and supporting those in need. Alongside her daughter, Gracie Reis, she focuses on helping struggling women, single mothers, and individuals facing challenging

circumstances access affordable housing opportunities. Nancy believes that everyone deserves a safe and secure place to call home, and she works tirelessly to make that vision a reality.

In addition to her real estate work, Nancy serves as an experienced Affordable Housing Development Consultant, specializing in construction project management to rehabilitate condemned and distressed properties. Her efforts are dedicated to transforming these properties into affordable homes, providing vital housing solutions for families in need. Nancy collaborates closely with non-profit community development corporations in Pittsburgh. Her collaborative, hands-on approach ensures that each project not only meets the housing needs of the community but also fosters lasting change in underserved neighborhoods.

With a strong commitment to improving her community, Nancy strives to make affordable housing a reality for those who need it most. Her tireless advocacy for equitable housing solutions ensures that individuals who may not have access to homeownership can achieve their dreams of stability and security.
