What's On Sale?

Boat Bimini Tops

They are designed for various boat styles. These tops are available in widths ranging from 54" to 103" and feature a 3-bow round tube design. Their main job is to provide essential protection from the sun and rain to enhance the overall boating experience.

Pontoon Bimini Tops

They are specifically designed for pontoon boats, offering shade and protection to ensure a comfortable outing on the water. Their multi-functionality allows for easy adjustment based on the day's activities.

Ski Tower Bimini Tops

Made for boats equipped with ski towers, these tops provide the needed shade without interfering with towing activities. It ensures both comfort and functionality.

T-Top Bimini Tops

Meant for console boats, this Summerset T-Top Tower Bimini Shade offers an affordable, high-quality option. It features a polished 1 1/4" aircraft-grade aluminium tube frame, adjustable to fit consoles up to 44" wide for a universal fit.

Replacement Bimini Canvas

This canvas is crafted from marine-grade fabric. It comes in a variety of sizes and colors. Get a [Replacement Bimini Canvas](#) to renew your old one for UV, mildew protection, and water resistance.

Customer-Centric Services

Catering to the diverse needs of boat owners, National Bimini Tops offers the following customer-focused services:

- **Free Nationwide Shipping:** Customers across the country can benefit from free shipping along with timely, cost-effective delivery.
- **Expert Support:** The company provides live phone and chat support with USA-based agents who assist customers in selecting the perfect bimini top for their specific requirements.
- **Comprehensive Warranty:** All products come with a warranty. This reflects the company's confidence in its quality and commitment to customer satisfaction.
