Great Neck, New York Mar 10, 2025 (Issuewire.com) - Onyx Coating is excited to launch its Spring Sales Blitz, offering exclusive discounts on top car care products. This promotion is aimed at helping car care professionals stock up on high-performance protection solutions for the busy spring season.

From now until March 31, 2025, customers can enjoy big savings on Vunyx Window Films, Vunyx Paint

Protection Films, and Ceramic Coating products, available only online at www.onyxcoating.com.

Spring Sales Blitz Offers:

- 15% OFF Vunyx Window Films – Premium window films for privacy, UV protection, and heat rejection.
- 15% OFF Vunyx Paint Protection Films – Durable and clear paint protection that keeps vehicles looking new.
- Buy 2, Get 1 FREE on Ceramic Coating products – Advanced coatings for long-lasting gloss and protection.

"We know spring is a busy time for car care professionals. Our Spring Sales Blitz makes getting the best products at great prices easier," said Mr. Ahmed Madi, International Sales Manager for Onyx Coating. "Whether you need films or coatings, this is a great chance to stock up and save."

Vunyx Window Films

[Vunyx Window Films](#) by Onyx Coating offers a premium solution for heat and UV rejection, privacy, and improved comfort. Designed for professional installers, these films feature:

- Up to 99% UV protection to safeguard interiors and passengers.
- High heat rejection for cooler cabins and less strain on air conditioning.
- Stylish appearance with multiple tint shades for any vehicle type.
- Easy installation with advanced adhesive technology for a clean, bubble-free finish.
- Scratch-resistant coating for long-lasting clarity and durability.

It is ideal for automotive detailing shops and window film installers looking for a reliable, high-performance film that customers will love.

Vunyx Paint Protection Films (PPF)

[Vunyx Paint Protection Films](#) (PPF) are engineered to deliver superior paint defense against scratches, chips, stains, and environmental damage. Key product features include:

- Self-healing technology that eliminates minor scratches and swirl marks with heat.
- Optically clear and ultra-gloss finish that preserves the vehicle's original look.
- Hydrophobic surface for easy cleaning and maintenance.
- Durable, impact-resistant material shields paint from road debris, stone chips, and harsh weather.
- Flexible and stretchable for a perfect fit on complex curves and surfaces.

This is perfect for PPF installers, detailers, and shops that want to offer customers the best in vehicle paint protection.

Stock Up on Ceramic Coatings — Buy 2, Get 1 FREE!

Onyx Coating's Ceramic Coating range is trusted by professionals worldwide for delivering unmatched gloss, durability, and hydrophobic properties. During the Spring Sales Blitz, you can Buy 2 and Get 1 FREE on all Ceramic Coating products — a perfect way to stock up for the busy season ahead.

Don't Miss Out — the Offer Ends March 31, 2025!

Whether you're a detailer, PPF installer, or window-tint professional, these limited-time offers are a great way to boost your business and profits while providing top-quality products to your clients.

Remember, the Spring Sales Blitz is only available through www.onyxcoating.com and ends on March 31, 2025 — or while supplies last.
