

Order and More LLC Presents "Spring into Order" Workshop for Home Organization with Douglas County Libraries

Littleton, Colorado Mar 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Order and More LLC](#) is pleased to announce an upcoming workshop, "Spring into Order: Tips and Tricks for Cleaning and Organizing Your Space," scheduled for March 22, 2025, hosted by Douglas County Libraries. This interactive session will provide community members with valuable strategies to refresh and reorganize their living spaces just in time for spring.

"We believe that organization is vital to wellbeing, and everyone deserves a feeling of order and harmony when they walk through their front door," says Patty Powers, BSN, RN, workshop presenter and professional organizer. "This workshop will empower participants to create clearer spaces which enhance clearer minds."

The "Spring into Order" workshop will cover a variety of techniques to help attendees declutter, organize, and maintain their homes. These include:

- **Practical cleaning strategies:** Effective methods for tackling different areas of the home with time-saving approaches
- [Decluttering techniques](#): Step-by-step processes to identify what to keep, donate, or discard
- **Storage solutions:** Budget-friendly organizing systems that adapt to any space
- **Maintenance plans:** Creating sustainable routines to preserve your newly organized environment

Workshop Details

- **Date:** Saturday, March 22, 2025
- **Time:** 10:30 AM
- **Location:** Castle Pines Library, Douglas County
- **Cost:** Free
- **Registration:** Register with library staff or online

About the Presenter

[Patty Powers, BSN, RN](#), brings her expertise in organization and wellness to this informative workshop. With a background in nursing and a passion for creating functional spaces, Powers combines practical knowledge with an understanding of how our environments impact our overall wellbeing.
