

Praesidio Consulting LLC Celebrates Five Years of Excellence in Regulatory Consulting for the Meat and Poultry Industry

colorado, Colorado Mar 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - Praesidio Consulting LLC proudly marks its fifth anniversary of delivering exceptional regulatory consulting services to the meat and poultry sector. Over the past five years, the company has successfully served more than 70 clients—including producers, processors, and attorneys—across 23 states, Mexico, Guam, the U.K., and South America. From small family-run operations to multinational conglomerates, Praesidio has become a trusted partner in

ensuring regulatory compliance and operational success.

Praesidio offers a comprehensive suite of services tailored to the industry's unique needs, including support for start-up operations, food safety plan revisions, facility expansions, crisis management for recalls and enforcement actions, FSIS personnel challenges, and daily regulatory control issues. The firm has also provided expert reports and testimony in civil litigation cases, assisting attorneys with food safety and regulatory matters.

"It has been an honor to advocate for the dedicated professionals who produce the world's finest meat and poultry products," said Richard Atkinson, Owner / Chief of Operations. "Building our firm from the ground up and fostering enduring relationships across the industry has been incredibly rewarding."

As *Guardians of Regulatory Compliance®*, Praesidio remains committed to bridging the gap between food producers and regulators. With an impressive first five years behind them, the company looks forward to continuing its mission of supporting producers and processors worldwide.
