

Presidia Risk Ensures Discreet Security for HNW Travelers at the World's Most Exclusive Events

Providing seamless, intelligence-led protection for ultra-high-net-worth travelers at premier global events including the Monaco Grand Prix, Monte Carlo Masters, and Cannes Film Festival.

London, United Kingdom Mar 16, 2025 ([IssueWire.com](https://www.issuewire.com)) - As the world's most prestigious events draw ultra-high-net-worth (UHNW) individuals, corporate executives, and royal families, ensuring their security while maintaining absolute discretion has never been more critical. **Presidia Risk**, a leader in bespoke security solutions for HNW travelers, is providing tailored protection services for VIP guests attending elite gatherings such as the **Monaco Grand Prix, Monte Carlo Masters, Cannes Film Festival, Monaco Yacht Show, and Art Basel.**

From secure luxury transport to close protection, Presidia Risk's intelligence-led security solutions allow high-profile guests to experience these prestigious events safely and without disruption. With a team comprised of elite professionals from military and intelligence backgrounds, the firm ensures its clients' movements are protected from security risks while preserving their privacy and lifestyle.

Tailored Security for UHNW Travelers at Global Luxury Events

Presidia Risk specializes in discreet security solutions that integrate seamlessly into the luxury

experience. Whether attending high-profile sporting events, film festivals, investment summits, or art showcases, clients benefit from:

- **Discreet Close Protection** – Personalized security details offering unobtrusive, seamless safety for VIPs.
- **Secure Luxury Transport** – Security-trained chauffeurs and VIP mobility solutions tailored for high-end travelers.
- **Crisis & Risk Management** – Pre-event security planning, real-time risk assessments, and rapid response protocols.
- **Global Security Coordination** – Seamless protection across multiple destinations, ensuring uninterrupted security.

“Our clients require more than just bodyguards; they need a security strategy that adapts to their lifestyle, ensures freedom of movement, and eliminates risks before they arise,” said Rafael, Founder of Presidia Risk. *“Whether attending a luxury sporting event, a film festival, or an investment summit, we provide tailored security solutions that allow our clients to focus on what matters while we handle the rest.”*

Securing VIP Guests at the World’s Most Prestigious Events

Presidia Risk delivers expert security services for UHNW travelers attending:

- Monaco Grand Prix – Ensuring secure transport and discreet protection for VIP guests.
- Monte Carlo Masters – Security solutions for tennis elites, luxury travelers, and royal families.
- Cannes Film Festival – Private security for A-list celebrities, executives, and investors.
- Monaco Yacht Show – Onboard security and exclusive transport for yacht owners and high-profile attendees.
- Art Basel (Miami & Switzerland) – Risk management and secure travel solutions for art collectors and luxury buyers.
- World Economic Forum (Davos) – Security coordination for corporate leaders, diplomats, and executives.
