Ramon "Raymond" Bagatsing III officially announces his candidacy for Mayor of Manila, vowing to restore the city's integrity and rekindle its cultural and social vibrancy. Driven by the legacy of his grandfather, former Mayor Ramon D. Bagatsing—widely regarded for his incorruptible leadership—Bagatsing III pledges to bring back genuine, people-centered governance.

"Manila was once the 'Pearl of the Orient'—a city of beauty, culture, and world-class governance. But today, it suffers from corruption, inefficiency, and neglect. My mission is clear: to restore integrity, compassionate leadership, and true progress for all Manileños," said Bagatsing.

His platform focuses on education, healthcare, housing, and cultural revitalization, ensuring that every Manileño is valued, supported, and empowered.

### **Key Priorities of His Leadership:**

🔗 Education & Youth Empowerment – Strengthening public education, providing mental health support, and creating employment opportunities through skills training.

🔗 Accessible & Compassionate Healthcare – Eliminating bureaucratic hurdles in hospitals, improving medical services, and ensuring senior citizens receive the care and dignity they deserve.

🔗 Housing & Livelihood Opportunities – Developing affordable housing programs and prioritizing employment for Manileños through business partnerships.

🔗 Restoring Manila's Cultural & Artistic Identity – Establishing creative hubs and promoting the arts as a tool for healing and unity.

### **A Transparent, Clean, and Culturally Rich Manila**

Bagatsing III strongly opposes the culture of self-serving politics and meaningless cosmetic projects. Instead, he envisions a government that listens, acts, and truly cares—one that prioritizes integrity over self-promotion.

"Manila deserves genuine change, not empty promises. Leadership should be about service, not personal ambition. Together, we will heal and uplift our city, making it shine once more," he affirmed.

### **A Call to Action**

With a firm commitment to unity, service, and the well-being of all Manileños, Bagatsing III invites the people to join him in ushering in a new era for Manila—one built on compassion, progress, and unwavering integrity.
