

Rasha Professional to Showcase Cutting-Edge AV Solutions at Bar & Restaurant Expo 2025

The poster features a dark background with a central image of a Rasha Professional stage light fixture. The light has a blue lens and four green lenses. To the left, there is a graphic of a bar and restaurant expo with the text 'bar & restaurant expo' in yellow and white. To the right, the text 'Create the Nightlife experience' is displayed in white and orange. Below this, the event details are listed: 'Date & Time: March 24-26 2025', 'Venue: Las Vegas Convention Center South Hall', and 'Booth #: 1241'. The poster is decorated with small white and orange symbols like plus signs and dots.

bar & restaurant expo

Create the **Nightlife** experience

1241

California City, California Jan 14, 2026 (Issuewire.com) - Rasha Professional to Showcase Cutting-Edge AV Solutions at Bar & Restaurant Expo 2025

Rasha Professional, a leading provider of advanced lighting and AV solutions, is excited to announce its participation in the highly anticipated Bar & Restaurant Expo 2025 at the Las Vegas Convention Center from March 24 to March 26. The event will bring together bar and restaurant owners, industry professionals, and technology innovators to explore the latest trends and solutions shaping the hospitality industry.

As a pioneer in professional lighting and AV solutions, Rasha Professional will be exhibiting at Booth No. 1241, where attendees can experience first-hand the company's state-of-the-art lighting and display technologies designed to transform bars, restaurants, and entertainment venues.

What to Expect at Rasha Professional's Booth:

 Live Demonstrations – Experience cutting-edge lighting effects with time-coded lighting shows.

- ❓ Exclusive Product Showcases – Get an in-depth look at Cybrid G2, K2, and Photon Profile, our latest innovations in professional lighting.
- ❓ Interactive Experiences – Design your venue’s lighting setup at our interactive kiosk.
- ❓ Expert Consultation – Connect with our team to discuss customized AV solutions tailored for your business.

Innovating the Hospitality Industry

The hospitality industry is evolving rapidly, requiring venue owners to integrate advanced technology for enhanced customer experiences. Rasha Professional is at the forefront of this transformation, offering end-to-end AV solutions from planning and design to installation and maintenance. With a strong commitment to quality and innovation, Rasha’s solutions ensure that businesses stay ahead in the competitive market.
