The Tunes Club carefully plans every campaign to ensure organic and effective promotion. This music marketing company helps artists by featuring their songs on selected Spotify playlists, increasing exposure, and drawing attention to their music catalog. Its promotional campaigns include both social media marketing and content marketing. This boosts Spotify streams and expands an artist's reach beyond the platform. What sets The Tunes Club apart is its affordable pricing. Their Spotify promotion services are budget-friendly, making it easier for artists to get noticed. With the upcoming sale, their services are an even better deal. If you are looking to grow your audience and gain more streams, now is the perfect time to take advantage of this offer on [Spotify Promotion Services](#). Don't miss out on the opportunity to promote your music effectively at a great price!

The Tunes Club has been in the music marketing industry for years, helping many artists build their global presence. With this experience, they create highly effective Spotify campaigns for musicians worldwide. The website offers four different promotion packages that give artists flexible options to choose from based on their needs and goals.

The Tunes Club offers four great Spotify promotion packages to help artists grow their audience. The 'Spotify Marketing Package' is ideal for promoting one track. It places the song in over **60 curated playlists**, bringing in **3,000 to 3,500 listeners**. The track is also shared on Facebook, Instagram, Twitter, and Pinterest, reaching more than **100,000 followers**. Artists receive a detailed report at the end of the campaign. The 'Spotify Promotion Pack' promotes two tracks. These songs are added to more than **90 playlists** and shared across multiple social media platforms, attracting **7,000 to 7,500 listeners**. This package also includes one paid press release distribution to enhance visibility. The 'Spotify Marketing Pro Pack' promotes up to three tracks. Each song is placed in over **120 curated playlists**, gaining **10,000 to 11,000 listeners** while increasing online engagement. This package supports natural audience growth and includes one paid press release distribution along with a music blog feature for added exposure. These packages provide artists with effective promotion, helping them get noticed and grow on Spotify.

The largest package and the fourth one available is the 'Spotify Promotion Pro Pack', which promotes up to four tracks at once. It places songs in more than **180 curated playlists**, reaching between **14,000 and 15,000 listeners** while ensuring strong online engagement. This package helps artists connect with the right audience by matching their music's style and genre. It also includes paid press release distribution, a music blog feature, and an artist review. Artists can choose from four different packages based on their needs. No matter which one they select, they will receive a detailed campaign report after the promotion ends. Each package is carefully designed using market research and is available at an affordable price.

With the upcoming sale, artists can save even more. From **March 25th to April 3rd**, The Tunes Club is offering a **flat 10% discount** on all promotion packages. Don't miss this chance to give your music the exposure it deserves!
