

Shiv P. Kalan, MD, MBA, CPE, FACP: A Dedicated Leader in Internal Medicine and Advocate for Underserved Communities

Board-Certified Internal Medicine Physician and Healthcare Leader Brings Over a Decade of Experience to the Greater Tampa Bay Area

New York City, New York Mar 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Kalan, a highly accomplished Internal Medicine Hospitalist, is proud to announce his commitment to enhancing healthcare access and quality for underserved communities in the Greater Tampa Bay Area. With over 10 years of experience in clinical practice, administration, and managed care, Dr. Kalan combines his medical expertise with a strong leadership background to drive positive change in the healthcare landscape.

Before embarking on his professional journey, the doctor earned his Doctor of Medicine degree from the University of Central Florida College of Medicine in 2010, laying the foundation for his extensive career in healthcare. As a Certified Physician Executive (CPE), a designation he achieved in 2020, Dr. Kalan possesses a unique blend of clinical acumen and business insight, making him an invaluable asset to healthcare organizations aiming for efficiency and excellence.

In 2024, Dr. Kalan further solidified his leadership capabilities by obtaining an MBA from the University of Amherst Isenberg School of Business. His robust education, coupled with his experience as a Fellow of the American College of Physicians (FACP) since 2019, underscores his dedication to lifelong learning and professional growth in the medical field.

He specializes in treating a wide array of conditions, including diabetes, anemia, heart disease, pain management, cellulitis, and urinary tract infections (UTIs). His clinical expertise allows him to deliver comprehensive care to patients, particularly in critical access hospitals where healthcare resources may be limited.

"I am passionate about improving healthcare delivery systems, especially in rural and underserved areas," said Dr. Kalan. "My goal is to ensure that every patient receives the highest quality of care, regardless of their circumstances. I believe that by enhancing strategic initiatives and fostering collaboration, we can create sustainable healthcare solutions that make a meaningful difference in people's lives."
