

Shybeats, Not So Shy about Dropping Brand New Tracks

The amazing and young talented music producer, Shybeats has dropped two brand new hot tracks called 'Up North' and 'AML' which are making fans go crazy.

Bozeman, Mar 21, 2025 ([IssueWire.com](https://www.issuewire.com)) - The extremely talented music producer, **Shybeats** has been nurturing his musicality through unique techniques of music creation for 2 years now. With the music world witnessing a massive change in energy, music producers of this kind are bound to shine brighter than the rest of their peers. The deep knowledge and sense of different genres and sounds is clear in the latest tracks dropped by this artist. The tracks are called '**Up North**' and '**AML**' both of which are incredible examples of the artist's musical tapestry. The songs have already made quite a few people notice the existence of this talented music artist.

Both of the tracks are truly commendable especially when it comes to lyricism and music that lifts the songs up into a different light. Listeners and fans have already shown their appreciation for the songs on social media platforms. The track '**Up North**' has a different feel to it with the music reminding of the retro days but with a twist. The hard-hitting lyrics and the mind-blowing beats along with the groovy rhythm have made this track one of its kind. The second track is called '**AML**' which is another memorable track produced by **Shybeats** which has elevated his style and persona. Both of the tracks are clear proof of the dedication and the passion the music producer holds for the art form. They are also a very good reflection of the vision that the artist shares of the world and society.

Apart from the brand new tracks, the young and blooming music producer has made quite the name for himself through other magnificent creations like 'Seasons', 'Tempo!', 'Buckeye', 'Big Sky Dr.', '47th', 'Rearview' and so many more. All of the tracks are available on [Spotify](#) for his fans to listen to. Fans can visit his social media platform on [Instagram](#) and [Apple music](#) to get updates about the artist and his upcoming new projects like both of the new tracks are part of an upcoming album of this artist.
