Gurgaon, Haryana Mar 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Online shopping has transformed the way people shop in India, and cashback platforms are further revolutionizing the experience by helping users save money on every purchase. CashBhi.com, a rapidly growing cashback and rewards platform, is making waves in the industry by offering customers real cashback on their online shopping across 1000+ top

brands.

Launched as a subsidiary of Agyte Private Limited, CashBhi is designed to help Indian shoppers maximize savings effortlessly. Whether you are shopping for electronics, fashion, travel, or groceries, CashBhi ensures that users get the best deals and earn extra cashback on every transaction.

How CashBhi Works: A Simple & Rewarding Process

CashBhi follows a simple yet powerful cashback model that allows users to earn money while shopping online:

1. Sign Up for Free: Users can create an account on CashBhi.com within minutes.
2. Browse Cashback Offers: CashBhi partners with leading online stores such as Amazon, Flipkart, Myntra, Ajo, Nykaa, Meesho, and more, providing exclusive cashback offers.
3. Shop via CashBhi: Users can click on the desired store's cashback offer and complete their purchase as usual.
4. Earn Cashback: Once the purchase is confirmed, cashback is tracked and credited to the user's CashBhi account.
5. Withdraw Earnings: Users can transfer their cashback directly to their bank account, Paytm wallet, or UPI.

This model ensures that users **never miss out on savings** while shopping online.
